Property Overview

The land for sale is located within the High View at Boulder Creek development in Camp Verde, Arizona. This development is situated in an Opportunity Zone, offering potential tax benefits for investors. The available parcels range from 6.426 acres to 118.745 acres, providing substantial space for a variety of projects.

The property benefits from a Planned Area Development (PAD) zoning overlay, which allows for diverse uses, including residential, commercial, and employment-oriented developments. It is zoned C-3, within FEMA District: Zone "X". This flexibility makes the land suitable for a range of development plans, including potential LIHTC-eligible projects.

Accessibility is a key feature, with the property boasting frontage on Highway 260 and a location just three miles north of Interstate 17. The Highway 260 frontage sees significant traffic, with an Average Daily Volume (ADV) of 16,280 vehicles, ensuring high visibility and accessibility.

The spine roads and utility infrastructure are now complete, including wet and dry utilities, Aultman Parkway, and Boulder Creek Road. Onsite improvements have also been completed, including grading and drainage for the full site and the utility loops, and the wastewater system has received final approval from the State. The seller has also stubbed utilities to the individual primary parcels within the development, including electricity, water, and telephone.

40315009C

Parcel 40315009C is approximately 6.426 acres and is located at the southwest corner of Highway 260 & Boulder Creek Road, about three miles north of the I-17 interchange in the Town of Camp Verde, Yavapai County, Arizona. The proposal for this parcel includes a 6,000 SF convenience store, car wash, and gas station with 6 pumps/12 positions for gas, and 7 pumps/9 positions for diesel.

The property is zoned C-3 with a PAD Overlay, allowing for a wide range of commercial uses. It is also located within a tax-advantaged Opportunity Zone.

Two points of access from Highway 260, one of which is an existing roundabout on Highway 260, provide project highway access.

Utility services are available, including electricity from Arizona Public Service (APS), telephone from CenturyLink or other providers, and water from Camp Verde Water & Well Water. A septic system may be required for sewer services, although the developer proposes to stub sewer lines in preparation for the Camp Verde Sanitary District's planned line extension.

The price for this parcel is $1,675,000.

40315011A

Parcel 40315011A is a 9.776-acre parcel located at the southwest corner of Highway 260 & Aultman Parkway, approximately 3 miles north of the Interstate-17 interchange, in Camp Verde, Arizona. The property is within the High View at Boulder Creek development.

The property is zoned C-3 with a PAD Overlay, allowing for a wide range of residential or commercial uses. It is also within the tax-advantaged Opportunity Zone. The proposal includes 3 quick-serve drive-thru restaurants (3,203 SF, 3,744 SF, and 5,155 SF of NRA) and 19,217 SF of retail/anchor space.

Two points of access from Highway 260, one of which is an existing roundabout on Highway 260, provide project highway access & frontage.

Utility services are available, including electricity from Arizona Public Service (APS), telephone from CenturyLink or other providers, and water from Camp Verde Water & Well Water. A commercial septic system will be required for sewer services, although the developer proposes to stub sewer lines in preparation for the Camp Verde Sanitary District's planned line extension.
