## Flagstaff's Busiest Commercial District

Positioned at one of Northern Arizona's busiest intersections, this exceptional commercial property delivers unmatched visibility and accessibility—the foundation for long-term business success.

### Investment Opportunity

A rare opportunity exists to acquire both 1051 S Milton Rd and 717 W Riordan Rd simultaneously. These adjacent parcels present significant potential for combination and redevelopment, offering investors maximum flexibility and future value appreciation.

### Strategic Advantages

The Highway Commercial zoning designation provides exceptional development flexibility, accommodating a wide range of commercial

uses while maximizing investment potential. The property's corner location with multiple access points ensures optimal traffic flow and customer convenience.

This represents a unique opportunity to secure prime commercial real estate in a high-traffic corridor with substantial redevelopment potential.

## Market Overview: Flagstaff, Arizona

Flagstaff is located in Arizona's high country surrounded by the largest ponderosa pine forest in the world. Considered a tourist destination for all seasons, there is plenty of outdoor recreation with camping, hiking and biking trails, beautiful fall colors, and winter snow play and skiing. Taking advantage of the comfortable summer temperatures, Flagstaff has outdoor festivals from June through October, including the Museum of Northern Arizona Heritage Festivals focused on Native American and Latin cultures.

Flagstaff is the regional crossroad for Northern Arizona and Grand Canyon National Park. The 4 million visitors and large second homeowner population in Flagstaff are drawn to the city's four seasons, accessible location and fulfilling quality of life. Flagstaff has a population of 76,586 and a metropolitan area population of 144,472.

The community is also a college town focused on

quality education, research and professional development with almost 30,000 students attending Northern Arizona University and 10,000 students attending Coconino Community College.

In addition to tourism and education, Flagstaff has a strong science sector which includes Flagstaff Medical Center; a regional hospital and level 1 trauma facility, W.L. Gore medical products, and Lowell Observatory. Flagstaff is designated as the world's first Dark Sky City for its work in preservation of the night sky's natural resource.

This ever-growing resort type community, consisting of local families, vacation rentals, Northern Arizona's regional market and second homes from all walks of life, provides a strong customer base for commercial enterprises.
